

Travel information RCM 2014 conference 16-19 June, Lund

It is an ongoing train strike on the trains "Öresundstågen" which operates between Copenhagen Airport and Malmö train station and further to Lund train station. As it looks today, it is not likely that the strike will be called off until the conference starts.

Therefore the trains are replaced by buses from Copenhagen Airport to Malmö Hyllie train station (not Malmö Central Station). From Malmö Hyllie train station you will have to continue with train to Lund train station (purple trains called "Pågatågen"). *This means that you have to count on considerably longer travel time between the airport and the Lund train station than when the trains were running as usual.*

Time table for buses from Copenhagen Airport to Malmö Hyllie train station:

Buses leave **06, 26 and 46** every hour between 04.56 and 00.26.
