

**ECOSUPPORT Scientific Meeting**

at Baltic Sea Science Congress, 17-21 Aug 2009, Tallinn, Estonia

on **Monday 17 August, 9:00-13:00**

-----  
!!  
Please forward this information to all colleagues within  
ECOSUPPORT that will attend the BSSC  
!!  
-----

The meeting will consist of three parts:

- 1) ECOSUPPORT common matters, chair: Markus Meier
- and two parallel sessions (depending how many we are also together)
- 2) WP2 (evaluation of the first hindcast simulation 1960-2007, common validation data, etc.), chair: Bo Gustafsson
- 3) WP4 (presentation of the finalized work plan and interaction with other work packages, forcing data, exchange of lateral boundary data, etc.), chair: Urmas Raudsepp

I suggest that all involved persons arrive in Tallinn on SUNDAY already so that the meeting can start in time on Monday morning.

Details about the meeting place will be available in due time.

Markus Meier
