How to reach Norrköping

By flight:

Norrköping airport (<http://www.norrkopingsflygplats.se>) has direct connections to Copenhagen and Helsinki.

Stockholm Skavsta airport (<http://www.skavsta.se>), situated 50 minutes by bus from Norrköping, has connections by e.g. Ryanair.

Linköping airport (<http://www.linkopingsflygplats.se/>), situated 30 minutes by taxi from Norrköping, has direct connections to Amsterdam.

Stockholm Arlanda airport (<http://www.arlanda.se>), situated 2 hours by train from Norrköping, has plenty of international connections.

By train:

There are plenty of train connections to Norrköping from Arlanda (2-2.5 h), Stockholm (1.5 h) and Copenhagen (4 h). See <http://www.sj.se/> for more information. SMHI can be reached by a short journey in a taxi (10 min) or tram (20 min, Tram no 3, see below).

By car:

SMHI is situated in the southern part of Norrköping. If you arrive by car from the E4 (Stockholm – Helsingborg) take the exit “Norrköping S” and shortly after the exit 119, “Klockaretorpet”. Follow the signs towards SMHI.

If you arrive on the E22 (Kalmar), follow the signs towards E4 S on the road “Söderleden” around the city centre. When you reach the roundabout continue towards E4 S and then immediately the exit “Klockaretorpet” and signs towards “SMHI”.

If arriving on road 51 (Örebro), follow signs towards “Norrköping” and “E4” and then follow the directions above.

Location of SMHI and hotel

See map below.

The venue for the workshop will be the Swedish Meteorological and Hydrological Institute (SMHI), Folkborgsvägen 1, Norrköping (<http://www.smhi.se/en/>)

Block reservations for accommodation have been made at Hotel Kneippen (<http://www.kneippen.se/>). Please state the code “BONUS” at reservation.

Within Norrköping the easiest way to travel between the town centre and SMHI is by tram no 3 towards “Klockaretorpet”. The stop at SMHI is called “SMHI”. The ticket can be bought by sending a text message to 72 365 with the code “NV”, or at the convenience store “Pressbyrån”, located at the e.g. at the station.
