

**BALTEX SSG Questionnaire
November 2009**

11 responses

A. The past profile of BALTEX Phase II

1. In your opinion, what are (is) the main achievement(s) of BALTEX Phase II to date?

BACC	6
Bonus projects (ECOSUPPORT/Baltic-C)	4
Broadening the scientific scope	3
Study conferences	2
Introducing the CO ₂ system	1
Summer school on Bornholm	1
Diverse workshops	1
Data management strategy	1
Data bases for observations and model scenarios	1
Intl. cooperation	1

A. The past profile of BALTEX Phase II

2. If you rank the main BALTEX Phase II objectives in terms of their achievements, how would your ranking look like? (1= no achievements, to 6= very high achievements)

Ranking	1	2	3	4	5	6
Obj 1		I	III	II	II	II
Obj 2			I	I	IIII	III
Obj 3	I	I	IIII		I	II
Obj 4		II	I	III	III	II
Obj 5		IIII	II	I	II	I
Obj 6		III	I	III	II	I

B. The present profile of BALTEX Phase II

3. How would you shortly describe the actual status of the BALTEX programme in terms of research performance, outreach, awareness levels in academic and stakeholder communities, both **in your home country** and in the international context?
(1= very low, to 6 = very high)

Home country	1	2	3	4	5	6
Research performance	D	D, PI, Fi		S, Ru, Dk, Est, D		Est, BI
Outreach	D	D, PI	S, Fi, Dk, D	Ru	Est, Est	BI
Awareness in scientific community		D, Dk, Fi, PI, D		S, Est, Est, Ru		BI
Awareness in stakehold. community	Dk, PI	D, D, D, Est, Fi	Ru	S, Est		BI

B. The present profile of BALTEX Phase II

3. How would you shortly describe the actual status of the BALTEX programme in terms of research performance, outreach, awareness levels in academic and stakeholder communities, both **in your home country** and in the international context?
(1= very low, to 6 = very high)

Home country	1	2	3	4	5	6
Research performance	D	D		D		
Outreach	D	D	D			
Awareness in scientific community		D, D				
Awareness in stakehold. community		D, D, D				

B. The present profile of BALTEX Phase II

3. How would you shortly describe the actual status of the BALTEX programme in terms of research performance, outreach, awareness levels in academic and stakeholder communities, both **in your home country** and in the international context?
(1= very low, to 6 = very high)

Home country	1	2	3	4	5	6
Research performance		PI				
Outreach		PI				
Awareness in scientific community		PI				
Awareness in stakehold. community	PI					

B. The present profile of BALTEX Phase II

3. How would you shortly describe the actual status of the BALTEX programme in terms of research performance, outreach, awareness levels in academic and stakeholder communities, both **in your home country** and in the international context?
(1= very low, to 6 = very high)

Home country	1	2	3	4	5	6
Research performance		Fi				
Outreach			Fi			
Awareness in scientific community		Fi				
Awareness in stakehold. community		Fi				

B. The present profile of BALTEX Phase II

3. How would you shortly describe the actual status of the BALTEX programme in terms of research performance, outreach, awareness levels in academic and stakeholder communities, both **in your home country** and in the international context?
(1= very low, to 6 = very high)

Home country	1	2	3	4	5	6
Research performance				S		
Outreach			S			
Awareness in scientific community				S		
Awareness in stakehold. community				S		

B. The present profile of BALTEX Phase II

3. How would you shortly describe the actual status of the BALTEX programme in terms of research performance, outreach, awareness levels in academic and stakeholder communities, both **in your home country** and in the international context?
(1= very low, to 6 = very high)

Home country	1	2	3	4	5	6
Research performance				Ru		
Outreach				Ru		
Awareness in scientific community				Ru		
Awareness in stakehold. community			Ru			

B. The present profile of BALTEX Phase II

3. How would you shortly describe the actual status of the BALTEX programme in terms of research performance, outreach, awareness levels in academic and stakeholder communities, both **in your home country** and in the international context?
(1= very low, to 6 = very high)

Home country	1	2	3	4	5	6
Research performance				Dk		
Outreach			Dk			
Awareness in scientific community		Dk				
Awareness in stakehold. community	Dk					

B. The present profile of BALTEX Phase II

3. How would you shortly describe the actual status of the BALTEX programme in terms of research performance, outreach, awareness levels in academic and stakeholder communities, both **in your home country** and in the international context?
(1= very low, to 6 = very high)

Home country	1	2	3	4	5	6
Research performance				Est		Est
Outreach					Est, Est	
Awareness in scientific community				Est, Est,		
Awareness in stakehold. community		Est		Est		

B. The present profile of BALTEX Phase II

3. How would you shortly describe the actual status of the BALTEX programme in terms of research performance, outreach, awareness levels in academic and stakeholder communities, both **in your home country** and in the international context?
(1= very low, to 6 = very high)

Home country	1	2	3	4	5	6
Research performance						BI
Outreach						BI
Awareness in scientific community						BI
Awareness in stakehold. community						BI

B. The present profile of BALTEX Phase II

3. How would you shortly describe the actual status of the BALTEX programme in terms of research performance, outreach, awareness levels in academic and stakeholder communities, both in your home country and **in the international context**?
(1= very low, to 6 = very high)

Home country	1	2	3	4	5	6
Research performance		D, Fi	D	PI, D, Ru	S, Dk, Est	Est, BI
Outreach		D	PI, Fi, D	S, D, Dk, Ru	Est	Est, BI
Awareness in scientific community		D,D	S, Dk, Ru, Fi, PI	S, D, Dk, Ru	Est	BI
Awareness in stakehold. community		D, Dk, Est, PI	D, D, Fi, Ru		S, Est	BI
